SELECT COMMITTEE ON INTELLIGENCE

WASHINGTON, DC 20510-6473

June 2, 2009

The Honorable Leon Panetta
Director
Central Intelligence Agency
Washington, D.C. 20505

Dear Director Panetta:

In a letter dated March 26, 2009, the Senate Select Committee on Intelligence (the Committee) informed the Central Intelligence Agency (CIA) of its intention to conduct a thorough review of the CIA's detention and interrogation program. The letter included terms of reference approved by the Committee, as well as a document request.

To conduct our work in a comprehensive and timely matter, the Committee requires access to unredacted materials that will include the names of non-supervisory CIA officers, liaison partners, black-site locations, or contain cryptonyms or pseudonyms. We appreciate the CIA's concern over the sensitivity of this information. Our staff has had numerous discussions with Agency officials to identify appropriate procedures by which we can obtain the information needed for the study in a way that meets your security requirements. We agree that the Committee, including its staff, will conduct the study of CIA's detention and interrogation program under the following procedures and understandings:

- Pursuant to discussions between the Committee and CIA about anticipated staffing requirements, the CIA will provide all Members of the Committee and up to 15 Committee staff (in addition to our staff directors, deputy staff directors, and counsel) with access to unredacted responsive information. In addition, additional cleared staff may be given access to small portions of the unredacted information for the purpose of reviewing specific documents or conducting reviews of individual detainees. These Committee staff have or will have signed standard Sensitive Compartmented Information non-disclosure agreements for classified information in the [redacted]

2. CIA will make unredacted responsive operational files, as that term is defined in Section 701(b) of the National Security Act of 1947 (50 U.S.C. 431(b)), available at a secure Agency electronic Reading Room facility (Reading Room) which will permit Committee staff electronic search, sort, filing, and print capability.
3. If responsive documents other than those contained in operational files identify the names of non-supervisory CIA officers, liaison partners, or black-site locations, or contain cryptonyms or pseudonyms, CIA will provide unredacted copies of those documents at the Reading Room.
4. Responsive documents other than those contained in operational files that do not identify the names of non-supervisory CIA officers, liaison partners, or black-site locations, or contain cryptonyms or pseudonyms will be made available to the Committee in the Committee's Sensitive Compartmented Information Facility (SCIF), unless other arrangements are made.
5. CIA will provide a stand-alone computer system in the Reading Room with a network drive for Committee staff and Members. This network drive will be segregated from CIA networks to allow access only to Committee staff and Members. The only CIA employees or contractors with access to this computer system will be CIA information technology personnel who will not be permitted to copy or otherwise share information from the system with other personnel, except as otherwise authorized by the Committee.
6. Any documents generated on the network drive referenced in paragraph 5, as well as any other notes, documents, draft and final recommendations, reports or other materials generated by Committee staff or Members, are the property of the Committee and will be kept at the Reading Room solely for secure safekeeping and ease of reference. These documents remain congressional records in their entirety and disposition and control over these records, even after the completion of the Committee's review, lies exclusively with the Committee. As such, these records are not CIA records under the Freedom of Information Act or any other law. The CIA may not

integrate these records into its records filing systems, and may not disseminate or copy them, or use them for any purpose without the prior written authorization of the Committee. The CIA will return the records to the Committee immediately upon request in a manner consistent with paragraph 9. If the CIA receives any request or demand for access to these records from outside the CIA under the Freedom of Information Act or any other authority, the CIA will immediately notify the Committee and will respond to the request or demand based upon the understanding that these are congressional, not CIA, records.

7. CIA will provide the Committee with lockable cabinets and safes, as required, in the Reading Room.
8. If Committee staff identifies CIA-generated documents or materials made available in the Reading Room that staff would like to have available in the Committee SCIF, the Committee will request redacted versions of those documents or materials in writing. Committee staff will not remove such CIA-generated documents or materials from the electronic Reading Room facility without the agreement of CIA.
9. To the extent Committee staff seeks to remove from the Reading Room any notes, documents, draft and final recommendations, reports or other materials generated by Committee Members or staff, Committee staff will ensure that those notes, documents, draft and final recommendations, reports or other materials do not identify the names of non-supervisory CIA officers, liaison partners, or black-site locations, or contain cryptonyms or pseudonyms. If those documents contain such information, Committee staff will request that CIA conduct a classification review to redact the above-referenced categories of information from the materials or replace such information with alternative code names as determined jointly by the Committee and the CIA.

Any document or other material removed from the reading room pursuant to paragraphs 8, 9, or 10 will be stored in the Committee SCIF or transferred and stored on Committee TS//SCI systems, under Committee security procedures.

10. Any notes, documents, draft and final recommendations, reports or other materials prepared by Committee Members or Staff based on information accessed in the Reading Room will be prepared and stored on TS//SCI systems. Such materials will carry the highest classification of any of the underlying source materials. If the Committee seeks to produce a document that carries a different classification than the underlying source material, the Committee will submit that document to CIA, or if appropriate to the DNI, for classification review and, if necessary, redaction.
11. The Reading Room will be available from 0700 to 1900 hours, official government business days, Monday through Friday. If Committee staff requires additional time or weekend work is required, Committee staff will make arrangements with CIA personnel with as much advance notice as possible.
12. The Committee will memorialize any requests for documents or information in writing and CIA will respond to those requests in writing.
13. All Committee staff granted access to the Reading Room shall receive and acknowledge receipt of a CIA security briefing prior to reviewing CIA documents at the Reading Room.

We anticipate that agreement to these conditions will address your concerns about Committee access to unredacted materials responsive to the Committee's document request. We look forward to immediate staff access to those materials.

In addition, we expect that the discussions and agreements over access to the study information are a matter restricted to the Congress and the Executive branch. As such, neither this letter nor derivative documents may be provided or presented to CIA's liaison partners.

Sincerely,

Dianne Feinstein
Chairman
