Matt, Charley, Kim, Darcy,

This email follows up my discussion with Matt today. NARA is asking Navy to give us an update on the 2006 unauthorized disposition case involving alleged destruction of records by a Marine Corps squadron relating to the 2005 Haditha killings in Iraq.

Enclosed are the two letters regarding this case. In particular, please tell NARA whether the NCIS investigation referenced in Navy's 9/29/06 letter has been concluded. If so, please send NARA the information about the 2006 unauthorized disposition case requested in Paul Wester's letter of 8/29/06.

Please respond to Steve Rhodes at 301-837-3055 or steven.rhodes@nara.gov, including asking him any questions about this issue. I am acting on his behalf today because he is out of the office.

Thanks very much.
