This list of course, supplements the inventories previously provided. See attached copies of Partial Inventory of Panamanian Materials from Specific Residences of Manuel Antonio Noriega, and Supplement to Partial Inventory of Panamanian Materials from Specific Residences of Manuel Antonio Noriega. We also incorporate by reference the hand-written inventories of Rio Hato and Altos de Golf.

These boxes of documents referenced herein will be placed in a separate, secure facility for your inspection and review. They will be available for inspections from March 1 through March 31, 1990. Because of security concerns, we need the names of any attorney who will be present to review the documents.

Sincerely,

DEXTER W. LEHTINEN
UNITED STATES ATTORNEY
